LSTA Fund 12,025.00

- The Interactive Storytelling Workshop featuring Lindsay Bonilla was funded by the Leigh and Mary Carter Family Foundation and was a very successful workshop. It may be a full day workshop in 2019.
- The Early Literacy 101 Workshop continues to reach full capacity and has a waiting list.

• The new emerging tech video series has a new format. The number of views in one week (300) is equal to what used to take a month to get.

Board Officers – No reports.

Committee Chairs

Finance Committee  
Anita Woods reported that the Committee met before the regular meeting.
• The Committee recommended that the Board approve a change in life insurance policies for the staff due to the large increase from the current company.
• The Health Insurance came back with a 6.5% increase, but there are 3 premium holidays.
• The Finance Committee is recommending a 3% increase for the staff.
• Revenue trends were demonstrated by Deborah and Anita via a Powerpoint. Over the last two years, revenue has been on an upward trend, after a decrease in 2015 and 2016. Revenue is projected to increase in 2018-19 via memberships.
• The Committee will recommend the budget to the Board in June, 2018.
• Deborah reviewed the cuts and additions to the budget.
• The video game circuit will be ending after 2018-2019.
• 2017-18 will end with an expected net loss of $50,000. This is less that the $74,000 projected. The loss of $50,000 includes the $20,000 cut from the state library.
• The Committee is going to recommend an increase to the Reserve Fund due to a realistic look at what it would cost to close out the regional if necessary.
• 2018-19 expected deficit is $34,087. The hopes are that in 3 years we will have no deficit.
• The Finance Committee will meet quarterly. The next meeting will be in July 17, 2018.

Board Resolution 2018-28 – Reserve Fund Balance
The Finance Committee recommended that the NEO-RLS Board resolve to increase the Reserve Fund amount from $60,000 to $200,000. The motion passed unanimously by voice vote.

Board Resolution 2018-29-Life Insurance Change
The Finance Committee recommended that the NEO-RLS Board resolve to change the staff life insurance carrier to Consumers Life through the Stark County Schools Council of Government’s plan, as the current provider’s premiums are increasing by over 130%. The motion passed unanimously by voice vote.

Board President - no report.

Current Business -
• Lifelong Friend of NEO-RLS award nominees were discussed. A vote will be held at the June meeting.

New Business
• Nominees for the Pat Carterette Award were made by the NEO-RLS staff. Cheryl Kuonen moved and Laura Leonard seconded to accept the staff’s nomination. A voice vote was held and the motion
passed unanimously. The winner will be announced at the Fall Membership Meeting.

- NEO-RLS must engage in Strategic Planning in the Fall. The Board asked Betsy Lantz to seek an outside facilitator to lead the process.
- An opportunity to manage another organization’s membership was discussed. No decisions were made.
- After the next meeting there will be an end of the year luncheon. Board members will pay for their own lunch.
- A review of the Book Discussion sets was held as the amount of staff time involved is high for the amount of libraries using the service. The amount of time tracking down the location of the books as they move from library to library is very problematic. The idea was suggested by Deborah Blair to extend the loan period. The eleven libraries using the service were not open to this solution. The service is not budget neutral. Several suggestions were made including a database of book discussion titles similar to the Ellison Die circuit. The Finance Committee will pursue the costs of this service at their committee meeting.
- Staff Day is another non-budget neutral activity, and the Board suggested several options. No decision was arrived at.
- Quantity of Programs. Betsy discussed the large number of programs that are offered. The Board agreed that the number of programs was excellent, and any reduction would affect the membership and the positive momentum of the organization.
- The Board agreed Return on Investment for Libraries is something that should be presented on request.

Adjournment

- Anita Woods moved and James Tolbert seconded that the meeting be adjourned at 12:53 pm. The motion was unanimously approved.
